## Hanover Town Library Report 1965

The library in Etna continues being effective in serving young & old in and around the village. The sum of \$127.30 was spent in acquiring a new set of World Book Encyclopedia to replace an outdated set of . The use of this by the school children in the area seems to justify the expense. The death of Aunt Pat Spencer, former librarian & teacher brought the sum of \$2.00, given by friends in lieu of flowers, to the library & was designated to be spent for children's books. Part of this sum has already been used to buy some attractive & popular books for the library. The sum of 1000.00 was bequeathed to the Etna Library to be an endowment fund kept safely invested & the <sup>interest</sup> ~~income~~ used for general purposes of the Library. From this same estate, a sampler, worsted flowers, a small print picture & a flap wheel are now enhancing the interior of the library.

At our trustees' meeting in May, we reviewed our budget & discussed general welfare of the library with our librarian, Mona Abbas. Mona keeps the library open 4 hours a week; 3 to 5 on Wednesday afternoon & 2 to 4 on Saturdays.

A number of current fiction books were given to the library by friends around the community & with their bright new jackets, the new encyclopedia & the new children's books, the atmosphere is definitely livelier inside the library.

In December, the trustees felt the salary of the librarian should be raised to 1.75 an hour from 1.25. Mona has a lively interest in the library, makes good selections from the Bookmobile & performs many little "extras" around the library as she sees fit. It was also agreed upon that we should affiliate with the N.H. State Library Development Program.

## Hanover Town Library Report 1966

The Hanover Town Library continues to serve the Etna Community, and according to our librarian, had a record number of visitors during the summer of 1966. It seemed that many of these visitors were summer people in the area.

At a meeting of the Trustees in December of 1965, we voted to become members of the New Hampshire State Library Development program and as a member of this group we were informed, late in Dec. 1966 that we were eligible to receive a basic grant of \$100.00 toward the purchase of "Basic Reference Books" for our library. These books had to be ordered before January of 1967, so during a very busy season, the trustees & librarian selected books which would make a significant contribution to our library in various areas. - Also in Dec. of 1966 we received a letter regarding the Adelaide S. Hardy Estate, & were informed that as Residuary Legatees we would be receiving 2 checks totalling \$4006.18 which we have duly received. We informed the Trustees of the trust funds for the Town of Hanover & are presently awaiting their instructions as to how these funds are to be deposited. We feel that with such a sizeable amount of money, we could perhaps accomplish a major purpose for the Etna library.
