

Etna Library
Board of Trustee's Meeting
Minutes from October 17, 2017

Present: A. Corwin, G. Boitnott, B. Prince

The September minutes were approved.

Librarian's Report – There have been fewer children at Tuesday story times recently. Attendance appears to be affected by competition from other community businesses offering children's programs at the same time.

Old Business

Review of Programs – The Fall Fest at Storrs Pond was a huge success. Many children and adults stopped by the Etna Library table and had fun making a stamped leaf garland. Crafts with Caroline – yarn crafts and ice cream are very popular programs.

Etna Library Coffee Mugs – The mugs have been ordered and should arrive in approximately one week.

Librarian's Annual Review – The trustees will have Barbara's performance review done by the end of October.

New Business

New Howe Webpage – Barbara encouraged us to look at the redesigned Howe Library website. It is user friendly and looks good.

Donations – A library patron has donated a bird and flower applique wall hanging. It will complement our display of nature and bird sanctuary inspired books. Another patron has donated handmade tote bags for library use.

Library Coverage – Substitutes are scheduled to cover Barbara's vacation hours during the week of November 13.

Pie Sale – Barbara announced that the annual pre-Thanksgiving pie sale will be Wednesday November 22, starting at 9 AM.

Date for Next Trustee Meeting – Tuesday November 21, at 3:00 PM.

Respectfully submitted, Ginger Boitnott
